CAPITAL CAMPAIGN benefiting the

MILAN '54 HOOSIERS MUSEUM

— Preserveing & Advancing the Milan Story —

The Milan Miracle of 1954. On a cold March night in Butler Fieldhouse, the Indians of tiny Milan High School (enrollment 161) defeated the mighty Muncie Central Bearcats (enrollment 1,662), to win the state championship and secure their place in Hoosier Folklore. The small town's victory was immortalized in the 1986 film, "Hoosiers," starring Gene Hackman. Today, the Milan '54 Hoosiers Museum is doing its best to keep this story alive.
